This letter is to inform the Federal Election Commission that I have been re-elected as the Treasurer of the Reform Party of the United States of America. This occurred during our National Convention in Long Beach, California, August 8 through 13. As a result there are no changes to the FEC Form 1 which I filed on February 18.

It was a pleasure having two of the Federal Election Commissioners in attendance at our National Convention, even if it was in preparation for the audit of the \$2.5 million we received from the Commission to fund our Convention. It was a distinct bonor to meet with Chairman Wold while he was at the Long Beach Convention Center.

Should you require any further information please contact me.

Sincerely,

Thomas J. McLaughlin

Treasurer
